Re: KORA Request

Dear Freddy Martinez,

Please be advised that your request for records from the City of Wichita made pursuant to the Kansas Open Records Act (KORA) has been forwarded to me for response. You have requested records and materials related to the solicitation, acquisition, and use of face recognition technology and related software and services.

Based upon the information you have provided, after diligent search, WPD staff was unable to locate any records associated with your request so no records can be provided to you.

At this time your KORA request is considered as complete and closed by the City of Wichita.

Very truly yours,

A handwritten signature in black ink that appears to read "K. Lagona for Officer Charley Davidson".
